RESPONSE TO SUPPLEMENTAL OFFICE ACTION
DATED AUGUST 28, 2006

MAIL STOP AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This paper is submitted in response to the Supplemental Office Action mailed August 28, 2006, for which the shortened three-month statutory response date is November 28, 2006. Since this response is being electronically filed on or before the due date, it is timely filed.

An Office Action mailed July 5, 2006 was received by Applicants, however, it was noted that the cited reference (*Marcjan*) appeared to be incorrect. This was brought to the Examiner's attention in a telephone interview on July 27, 2006, who indicated that he would send a supplemental Office Action that would override the July 25, 2006 Office Action. No substance discussion regarding any prior art was conducted. A Supplemental Office Action dated August 28, 2006 was received and the response is included herein.

If an extension of time is required to enable this paper to be timely filed and there is no separate Petition for Extension of Time filed herewith, this paper is to be construed as also constituting a Petition for Extension of Time Under 37 CFR § 1.136(a) for a period of time sufficient to enable this document to be timely filed.

No fee is believed due as a result of the response contained herein. However, should any fees under 37 C.F.R. §§ 1.16 to 1.21 be required for any reason, the Commissioner is authorized to deduct said fees from Williams, Morgan & Amerson, P.C. PTO Deposit Account No. 50-0786/2300.001300.
